گام 02

گزینه **Payments** یا **پرداختها** انتخاب کنید و بعد گزینه انتقال داخلی را انتخاب کنید

The screenshot displays the 'Payments' screen in the WindsorBrokers mobile application. On the left, there is a navigation menu with icons for home, payments, and other features. The main content area contains three buttons: 'Deposit', 'Withdraw', and 'Internal Transfer'. The 'Internal Transfer' button is highlighted in blue. Below these buttons, there is a 'Choose Account' section with three more buttons: 'Deposit', 'Withdraw', and 'Internal Transfer'. The 'Internal Transfer' button is again highlighted in blue. Underneath, the 'Transfer Details' section includes three input fields: 'Source Account' (with a dropdown menu showing 'Select Account'), 'Target Account' (with a dropdown menu showing 'Select Account'), and 'Set Amount' (an empty text input field). At the bottom of the screen, there is a large blue 'Transfer' button.

سپس شماره حساب های مبداء و مقصد را انتخاب کنید و مبلغ را وارد کنید و در انتها گزینه **transfer** یا **انتقال** را بزنید
